RE: DA2020/0263 - 59 Myoora Road TERREY HILLS NSW 2084

Trucks & hours completely unsuitable both for site & village. Driveways close to bus terminus servicing Business commuters & school children; sole pathway to Public School. Trucks will use a. Booralie Rd through a well used shopping centre b. Cooyong Rd. which is designated 3 tonne due to its use for horses & cycles to access Mona Vale Rd underpass; Flower power entrance directly round corner. c. Myoora Rd where there are 2 Schools + swim school & pre-school entrance. Egress from Bindook onto Myoora has already been noted as dangerous. Saturday is when ovals at the school & Community centre are busy, children on the move. Suburban houses are near neighbours. This is not light industry.
