RE: DA2019/0200 - 130 Old Pittwater Road BROOKVALE NSW 2100

"One of our best kept secrets, you'll forget you're in Sydney as you slip into this tranquil stunning pocket of natural bush".

From councils own website...!

Allowing this development to go ahead would surely portray hypocrisy on the part of council. Another lengthy, noisy and unneeded development in an area already overdeveloped and possessing plenty of already built but yet empty properties. Please do the right thing in denying this and future developments along this stretch of bushland.

Thank you.
