RE: DA2020/1163 - 24 Wandeen Road CLAREVILLE NSW 2107

We refer to the recently amended Master Set of plans dated 30/10/2020 and the amended Landscape plans dated 5/11/2020.

These amended plans do not allay our concerns voiced in our submission dated 7/10/2020 commenting on the original drawings for the proposal.

We ask that the council continue to refer to our earlier submission.

Sincerely

David and Jan Evans
