RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I appose this due to safety concerns of playing fields and school. Education NSW dictates that a base station must not be with in 500ms from a school, it will be 300m.

This has been opposed before, not sure why the council continues to entertain this, if the ratepayer is against this.
