RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

Hello, I am opposed to this development. Having lived in Whale Beach and Palm Beach since 1984, and in Avalon Beach since 2019, I find this application totally out of character with the whole area. It is like a development you would see in Dee Why and has no connection with any other buildings in the area. Many people I know are upset by the application and appalled that it has even been proposed.

Kind Regards Greg Doyle
