Subject: Submission DA 2022/2281 at 80 Undercliff Rd, Freshwater

Dear council

Can you please accept our objections to DA 2022/2281 at 80 Undercliff Rd, Freshwater. The reason being that it proposes a significant increase in patrons but provides no extra parking, does no heritage assessment of the impact on the heritage item, and is for the use of a function centre which is prohibited in the zone.

Thank you
James and Jen Lowe
