Privacy and Personal Information Protection Notice

The personal information requested in this form is required by or under the Environmental Planning and Assessment Act 1979 and will only be used by Warringah Council in connection with the requirements of that Act and any other relevantly applicable legislation relating to the subject matter of this application. The information is being collected for the following purposes, namely to enable us to (1) process and determine your application, (2) contact you in relation to your application should that be necessary and (3) keep the public informed by making the application publicly accessible. you do not provide the information. Council will not be able to process your application, and your application will be rejected

Your application will be available to Councillors and Council Officers. Members of the public have certain rights of access to information and documents. held by Council under the Government Information (Public Access) Act 2009 (GIPA), and under the Privacy and Personal Information Protection Act 1998 (NSW) to the extent permitted by those Acts

Warringah Council is to be regarded as the agency that holds the information which will be stored on Council's records management system or in archives and may be displayed on E Services Online (except as regards to personal particulars). You have a right to access information within the meaning of the Privacy and Personal Information Protection Act 1998 (NSW) on application to Council, and to have that information updated or corrected as necessary. Please contact Warringah Council if the information you have provided is incorrect or changes or if access is otherwise sought to the information. In addition, a person may request that any material that is available (or is to be made available) for public inspection by or under the Local Government Act 1993 (NSW) be prepared or amended so as to omit or remove any matter that would disclose or discloses the person's place of living if the person considers that the disclosure would place or places the personal safety of the person or of members of the persons family at risk Any such request must be made to Council's General Manager sees 739 of the Local Government Act 1993 (NSW)

2 2 EXEMPTIONS

Council consent is not required for removal if the tree is less than 6 metres in height, the tree is dead, a noxious weed, is referred to in the list of exempt species in Appendix 5 of the WDCP 2011, or is considered dangerous to life or property. Note: A free less than 6 metres in height which has a canopy width exceeding 7 metres will require consent. (For properties within Deferred Lands under the WLEP 2000 then you must consider the Tree Preservation order). To find out more about the exemptions, please go to warringah nsw gov au/planning-and-development/development restrictions/trees and development.

Trees which are considered a high risk/imminerit danger to life and property by a Level 5 qualified Arborist are exempt development and can be removed without Council consent by the owner of the tree

You need written confirmation from the Aiborist and the report must clearly state the following

- Qualifications AQF Level 5 Arborist or equivalent (see WDCP 2011, Part H, Appendix 10)
- The tree(s) is declared a high risk or is an imminent danger to life and property
- Immediate removal of the tree(s) is recommended

A copy of the eport is to be sent to council for record keeping purposes

You may also prune a tree by less than 10% of the foliage within a 12 month period without Council consent,

2 3 APPLICATION FEE

\$110 Fee to be confirmed with Council's current Fees and Charges

2 4 OWNERS CONSENT

The owner of the land on which the tree(s) are located must sign the consent on the application

Any consent issued as a result of this application is not a directive or order and does not oblige the owner to undertake the consented works. The consent is valid for five years from the date on the determination.
