**RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108**

I wish to lodge my objection to the most recent DA for the old fish shop site on Barrenjoey Rd, Palm Beach on the grounds that it is grossly outside the height restrictions and will dwarf the neighbouring heritage building of Barrenjoey House.  
Once again a design has been submitted that is not in keeping with the seaside village of Palm Beach and does not have sufficient parking for the amount of shops and residences planned.
