RE: Mod2021/0203 - 1102 Barrenjoey Road PALM BEACH NSW 2108

As a resident of Palm Beach for 24 years and Pittwater for 42 years I vehemently oppose this development on the grounds that it is inimical to the amenity of the environment. It is WAY out of character, WAY too large and a gross overdevelopment of the site. Furthermore unless I am horribly mistaken the estimated cost of this development seems grossly underestimated and needs to be verified,
