RE: DA2019/1340 - 100 / 0 Meatworks Avenue OXFORD FALLS NSW 2100

Re: Development of 100 / 0 Meatworks Avenue OXFORD FALLS NSW 2100

I object to the development as it is not in keeping with the character of the area. There are not many rural areas left on the beaches and as a member of the horse community it is heartbreaking to see them being destroyed. Oxford falls road is a rural road not meant to take the amount of traffic it already does. Such a development would see an increase in such traffic which already poses a risk to the residents, both human and animals, as well as a danger to the students of the nearby school. The road is bordered by bush which is home to many native animals.
