RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I looked at the NMP when looking for a property on the Northern Beaches; the vision on the NMP helped us decide to move here. I want to firmly voice my objection to this application, in fact I do not see any real amendments from the last application. The amended application still allows for traffic to pass through Robertson Road to access underground parking - this traffic will nullify the opportunity of having a pedestrian plaza. Height limits are still exceeded, the design and scale of retail shop fronts are not fitting with village feel.
