**RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108**

I have lived in Palm Beach for the last 46 years. It has always been my home. I love it for its beachy seaside community.

This building that used to be a fish and chip shop with outdoor seating, is now a huge monstrosity made for wealthy people to have apartments. Its too big and too ugly. Does not fit in with our local beach community.

I object to this proposal completely.
