**RE: DA2019/0200 - 130 Old Pittwater Road BROOKVALE NSW 2100**

To whom it may concern,

I am deeply concerned about the proposed development of more bushland directly opposite my home on Allenby Park Parade. This piece of land is a corridor between Allenby Park and Manly Dam for native fauna including wallabies, echidnas, snakes, bandicoots and powerful owls which are on the 'vulnerable' list in Australia. The Brookvale industrial area already encroaches on Allenby park.

Allambie Heights is a suburb that prides itself on beautiful bushland and I strongly oppose prioritising a 'dance studio' and 'warehouse space' over a wildlife corridor that serves a very important purpose to fauna in our area.

Thank you.
