To Northern Beaches
Council,

This letter is to
inform you of the horrendous events
of Sunday 7th March, 2021 at Pittwater
RSL Markets.

We were visiting friends
in Warriewood Road and appalled
by parking, double parking, noise
and rudeness of some persons when
asked to move their vehicles to allow
access to driveways. This market
scene in Residential AREAS is WRONG.
and abused by the MARKET people. I
object strongly. Sen Phillips.
