All dimensions are to be checked by the builder on site and any discrepancies brought to the attention of Tesseract Pty Ltd prior to construction. When a dimension is not clear it is the builder's responsibility to clarify the dimension with the architect. It is the builder's responsibility to cross reference working drawings with authority endorsed documents. These drawings are not to be scaled. This design is dependent on approval by relevant authorities and comparison with client budget requirements. At time of design, confirmation of these approvals has not been recieved.
