Application DA 2023/0376

Lot 7327 DP 1164236 400 Barrenjoey Road Bilgola Beach

Dear Mr Pattalis

Thank you for the opportunity to respond to the submission to change the classification of the Bilgola Beach Kiosk to Café in Proposed DA 2023/0376. We understand that this DA has been re-advertised.

We do not want to change the classification of Kiosk to Cafe. We do not want to change the intensification of use. This statement matches Northern Beaches Council's Bilgola Beach Plan of Management that states that a Restaurant is a Prohibited Use.

We acknowledge that you state that the new DA lease conditions for the Bilgola Beach Kiosk will not change from the previous 2007 DA conditions. We request operators of the Bilgola Beach Kiosk give consideration, with respect to commercial collection of their rubbish and deliveries of supplies, to occur *within* reasonable hours to minimise noise impact on neighbouring properties.

Kind regards

D Mallett & G Sloan
