Subject: Comments on PP0005/16

Dear Sir, Comments on PP0005/16 I would like to object to this proposal to rezone 6 Jacksons rd Warriewood. Currently as Rural Landscape zoning it provides green space buffer between Warriewood Square and Boondah sports Reserve. It is a habitat for native animals and birds. As well it has a small creek for the animals and birds and provides scenic beauty to the area. There is currently significant beautiful trees. If approved a building would be adjacent to the Boondah Reserve which would destroy the local green beauty of this buffer area. Could you consider my objections to this planning proposal. Kind Regards, Trevor and Marie Edwards
