Good morning

I am writing to express my disappointment this morning as I visited the farmers markets at Mona RSL for the first time (I visited every Sunday when it was in frenchs Forest). I arrived at my normal time 7:30am after driving 30 minutes to get here only to be told I wasn't able to be sold my coffee or any produce, insisting all stall holders not sell anything until 8:30am is excessive.

Please allow the markets to start trading earlier (7am) and to finish later (2pm).

Regards  
Storme
