RE: DA2021/2173 - 394 Barrenjoey Road NEWPORT NSW 2106

I am in full support of the proposed refurbishment works to the Newport Surf Club - which are long overdue. As a member of the club and someone who uses the club facilities often all year round, the works can not come soon enough! The Newport Community deserves a surf club that looks state of the art, functions properly and offers a range of facility options which can be used and enjoyed by all.
