RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096

I am concerned that the new proposals for the Harbord Hotel will vastly affect the amenity of the nearby Freshwater residents. The new ownership has already seen a rise in the general levels of noise emanating from the hotel, and the latest proposal would seem to escalate that to a whole new level. The plan for additional outdoor music seems totally unwarranted for a 'local pub'. It may be argued that the pub has always been here, but this is primarily a residential area, and these new proposals seem innappropriate in that context.
