Attn: ,

DA2018/1995 - 96, 100, 102 & 104 Cabarita Road AVALON BEACH

Reference is made to the proposed development at the above area and Aboriginal heritage.

There are known Aboriginal sites in the area. No sites are recorded in the current development area, however, the area of the proposed development is identified as having high potential for unrecorded Aboriginal sites.

The Aboriginal Heritage Office recommends a preliminary inspection ('due diligence' under the *National Parks and Wildlife Act 1974*) by a qualified Aboriginal heritage professional. The assessment would provide information on what potential Aboriginal heritage issues exist on the land and recommendations for any further action if required.
