RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

Myself and my family would like to oppose to this development. Please do not allow Optus tower construction in such location. It is 300m from Curl Curl North Public school, which goes against the Dep of Education's recommended distance, which should be AT LEAST 500m. Please note that the area has a very high traffic of young kids and adults with the school, the sports fields which are used 7 days a week the new skate park, Community Garden, playgrounds and other places of intense use by the community. This delepmente is not reasonable and should not be accepted.
