**RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085**

Glenrose Village provides enough retail for the area.  
40 plus residential dwellings is excessive and not in line with the existing developments in our area.  
The attraction of Frenchs Forest/Belrose is that it is currently meeting residents needs in relation to retail, while maintaining a 'village like' feel.  
The area would not cope with the traffic congestion this development proposal would create.  
Don't destroy the village feel of our beautiful suburb!
