RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

Re: Application Number DA2020/0393

I was born in Manly, have lived in the area most of my life and married a local girl. We have two children and five grandchildren living in the area.

We had the good luck to spend five months living in Barcelonnette, Spain. The shopping centre was ringed around with units. Seeing the many of the older residents come out in the midday sun, socialise a bit, buy their needs and carry them home. No traffic problems.

To me this made sense.

I have kept this short as I am sure you are a busy person. I believe this would be an asset to our community and wish to encourage you to push for this proposal to go ahead
