**Subject:** re phone tower

Dear Ray , we are in favour of better phone reception in the Collaroy area and believe a new phone tower in the vicinity of the Anzac Village , Narrabeen may be possibly a good site .

We have been at the Anzac Village for one year now , and have difficulty with many land line and mobile phone calls . Volume of most call is not good .

Hopefully you may be able to address this situation .

Thank you

Nan and Doug Swinburn
