RE: DA2018/1924 - Forest Way FRENCHS FOREST NSW 2086

To Whom It May Concern:

I am a resident of Forestville, and I have been notified of the planned no right turn into Forest Way from Russell Ave at Forestway shops. I am writing to strongly protest these changes and would like them to be stopped. Without a direct access to Forest Way from Forestway Shops it will encourage more traffic to use the back streets as a way of getting onto Warringah road. The back roads from Forestway shops down to Ferguson Street are already too busy for a local neighbourhood with many children. Any additional traffic would affect quality of life and be dangerous for residents.
