RE: DA2019/1190 - 9999 Pittwater Road BROOKVALE NSW 2100

A few benefits for an upgraded Brookvale Oval.

1. keeping the club at their spiritual home to prevent relocation.
2. better facilities for all people attending across multiple sports.
3. more community facilities for events and meetings.
4. will promote female participation across many sports due to female change rooms.
5. more access for disability patrons to attend sports and other community events.
