I would like to make a submission in full support of this DA application. I am a patrol captain at Queenscliff Surf Life Saving club and regularly keep my energy up on patrol by partaking in the excellent coffee from the Corner Coffee Shop.

The serving window for takeaway coffee is a great place to get quick access to coffee....but has also provided a fantastic place to stand and meet people or catch-up during chance encounters. Queensie is a community that I am proud to be part of and that Corner Coffee shop has enhanced our community immensely!

Closure of this window would have a negative effect on this local, family run business and I believe this is unfair on the owners and unfair on the large community that supports them.
