RE: DA2024/1216 - Gourlay Avenue BALGOWLAH NSW 2093

As someone who visits North Harbour regularly, I am disappointed that it's under threat from large, ugly boats totally out of keeping with the bay. Please restrict any berths and moorings to about 40ft as it is currently. I am also concerned about how this will affect the tidal ecosystem with delicate sea grass fields and the animals associated with them surely being impacted by such large vessels entering the bay.
