**RE: Mod2016/0293 - 80 Evans Street FRESHWATER NSW 2096**

I wish to oppose extending the hours of the construction at the diggers. It already has a huge effect on our lives, but at least it is mostly confined to school hours. If it was extended into the evening and on Saturday then we would never have any peace and quiet and it would be at times we need to relax as a young family.
