RE: DA2020/0552 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100

As a Wildlife rescue carer we see the consequences of clearing land first hand. It is so saddening to see our precious Wildlife lose their habitat for luxury apartments. There are plenty of apartment available so there is no need to build new ones, especially in bushland that is so much needed!!! For once, please think about the animals instead of the money.
