RE: Mod2023/0684 - 1193 Barrenjoey Road PALM BEACH NSW 2108

I am in strong favour of the boat house being able to trade outside during the day and of an evening. Such a truly iconic location with one of Australia's best hospitality groups providing enormous benefit to locals and those who visit the area throughout the year. With such limited options of this quality in the area and the benefit for all who visit this amazing location I am absolutely in favour of it.
