RE: Mod2023/0684 - 1193 Barrenjoey Road PALM BEACH NSW 2108

We would welcome the Joey opening for dinners all year round. There are so few options for dinners in this area and Dunes is often booked out for weddings.

It is a very special destination, owned by locals and provides a place for people to come together.

It also provides well needed employment.

Kind regards

Amelia Eilbeck
