Dear council,

I object to this proposal for the following reasons;

1. 1. .We have an obesity crisis in Australia. We do NOT need yet another fast food outlet in Balgowlah, let alone a 24 hour one
2. 2. .we already have a KFC 2 mins walk away
3. 3. .this proposal is very near a junior school, Manly West Public School!
4. 4. .The traffic on Roseberry street is already at a standstill for many periods during the week
5. 5. .we should be encouraging small businesses in our area if more food outlets are ever "required" - not tax dodging multinationals

Please listen to the local residents!

thanks  
Claire
