**RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

I was thrilled to hear that the Frenchs Forest Organic Market had found a possible new home at Pittwater RSL.

Having been a regular customer for many years now it has become part of my life and part of my local community.

I understand that they were somewhat "pioneers" of local organic markets, a successful model which has been replicated through out Sydney and beyond. All started in the Northern Beaches of Sydney!

As a Monday to Friday worker having this style of market on a Sunday (weekend) is of most importance and I fully support this move to Mona Vale.
