**RE: DA2019/1514 - 6 Trentwood Park AVALON BEACH NSW 2107**

The proposed driveway passes over my property on the southeast corner. It needs to be moved.

The owners are currently using my driveway to access No.6. Any consent for works on No.6 needs to have conditions that prohibit use and parking of trades vehicles and trucks etc on my driveway.

As at 30/1/2020 I have received no notification from council.
