HI

I am appalled that the DA for the development at 351 Barrenjoey Road has been approved despite the many objections from the local community. Robertson Road is a unique area and should be preserved from development such as the one proposed.

The plan to have the car park entrance in Robertson Road will greatly hinder any opportunity to turn the street into a mall at weekends for local people to enjoy local restaurants in an atmosphere without traffic.

The garage entrance should be relocated to Barrenjoey Road and not intrude into the much-loved local street.

Council has the opportunity to meet the strong wishes of the Newport community for this development to be modified in line with the unique village ambience that must not be monstered by developers.
