RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

Dear council,

I object to the proposed development. It is overbearing and dominates the hillside. It seems out of scale with the surrounding buildings and ignores the character of this iconic area. I don't believe it meets all the requirements of your own guidelines or rules for development. Council is our representative to enforce these rules and guidelines on our behalf.
