Officer comments

The proposal is for alterations and additions to an existing dwelling. Two Arborists reports have been included and are noted. The Arborist's reports address the removal of two mature trees categorised as dangerous. It appears that the two trees have since been removed.

The DA is considered acceptable with regard to the relevant controls, relating to landscape issues, subject to conditions.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
