RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

The General Manager

Northern Beaches Council

RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT

We feel the council should reject the proposed development because it does not add to the beautification of our area and does not suit Newport. It will destroy the atmosphere and function of Robertson Road, the only pedestrian precinct in Newport. The planned garage entrance on Robertson Rd will be an eyesore and a danger to pedestrians.

The 4 properties in Robertson Road should be amalgamated and developed as one, as proposed in the Newport Masterplan.

The council, in cooperation with developers, has an historical opportunity to create a model urban plan for Newport, and its community, please do not let us down.
