- 64 Cooyong Rd ST
Terrey Hills NSW 2084

RE: DA2022/0456 - 62 Myoora Road TERREY HILLS NSW 2084

Hi,
I am against any further development of Flower Power as the traffic on weekends is already overloading the local Cooyong Rd. People taking wrong turns and obstructing Cooyong Rd, as a resident of Cooyong Rd I witness daily how the capacity what this road can take has already been reached. The school traffic and safety of children intensifies the need to stop further developments in that corner . It is unsafe for children and horse riders already now with more construction vehicle it would be a disaster! It's already now hard to use these roads in a save way. Stop any further developments for the sake of its residents and natural habitat of various wildlife being close to the National Park !
