**RE: DA2020/1453 - 4 Collaroy Street COLLAROY NSW 2097**

I would like to register my support for a development application I have recently been made aware of in Collaroy. My family have lived and socialized in the Collaroy area for over 20 years. Our children were long term members of Collaroy SLSC & Collaroy Cougars Rugby Club. Our business & personal PO Boxes are still at Collaroy Beach Post Office so am in the village most days. Collaroy now looks very rundown & untidy with many empty commercial premise evident. Parking options are as bad as I can remember in both Collaroy & Alexander St. A new stylist residential/commercial precinct with increased parking options would be a perfect addition and much needed facelift for Collaroy Village & local community.
