**Subject:** New Macdonald's

Dear Council

I would like to voice my concern regarding the proposed 24hour Macdonald's on Roseberry street. This street is already overly congested with traffic and it is likely a high traffic foodstore such as Macdonalds would make the traffic situation on this street and intersections with Balgowlah rd and Balgowlah and Condamine st even worse.

Yours sincerely

Anna Barbouttis

24 Francis St, Fairlight
