To Whom it May Concern,

I m writing to note my objection to the abovementioned DA.

I am a Northern Beaches resident who grew up on Palm Beach road behind this DA, where my elderly parents still live, and current live down the road.

I believe the following points are relevant and would appreciate them to be noted as part of this process.

- There will be a lot of trees affected by this development which Northern Beaches has fought so hard to protect
- The size of this development is out of character with all surrounding houses.
- Barrenjoey House which is a 100 year old iconic building which managed to do a tasteful renovation. This building is not in keeping with the surroundings.
- It is too large a building for the area and would appreciate a reduced size be considered.

If you have any other questions, please email.
