RE: Mod2021/0983 - 231 Whale Beach Road WHALE BEACH NSW 2107

I have recently been made aware of the amendment to the development application at 231 Whale Beach Rd and would like to make an objection
The number of people at 188 is excessive for the area -a small beachside village .This will create parking problems and noise problems .Access to surf road can be very awkward as we all see in high season .The current cafe is a delight and Im sure a smaller restaurant would be far more appropriate to the site
