17/02/2016 MS Christina Kirsch ST NSW RE: Mod2016/0022 - 9999 Pittwater Road BROOKVALE NSW 2100 PS: I just had a look at the traffic report. Is that a joke???? The traffic engineer obviously has never observed the traffic on a night game during the week. The assessment is inaccurate, based obviously on inadequate data and therefore needs to be ignored. The traffic volume needs to take into account the combined traffic volumes of weekday afternoon (finish of school and workday) and weekday game traffic volume. May be council needs other traffic engineers that can accurately assess these ?
