**RE: DA2018/1481 - 1 / 0 Veterans Parade NARRABEEN NSW 2101**

Attempting to construct a mobile phone tower this close to a number of schools is an outrage. This will be fiercely contested by the locals. Please make a decision in the best interests of your constitutionets - the people you are elected to represent - and do not allow this mobile phone tower to be built. You will be knowingly endangering the health of the elderly residents and small children who surround this proposed tower. Would you allow this to be built so close to your own children's school or the retirement home your own parents live in? It must not go ahead!
