RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

What a pleasure it is to see a quality apartment development on the Upper Northern Beaches. Hopefully council is moving with the times and encouraging high quality developments like this. It appears to have adequate private parking to ensure street parking is not disrupted. And the retail space is a quantum upgrade to what has been there before. This development will enhance the entire Whale Beach precinct. Congratulations to the developer.
