Dear sir/ madam

As a resident of Manly Vale nearby I object to the DA to build a McDonald's at the 7 miles site. These connecting roads are currently a nightmare to cross as a pedestrian and very busy. Almost every day I witness a near miss by both cars and pedestrians and bikes.

It will also generate a lot of mess and I would expect the nearby main bus stop would become a hang out for unruly teenagers. Surely there must be other locations that McDonald's could consider.

Sincerely  
Sean Keevil
