Subject: rezoning no R0002/12

Dear Mr DyceI object to the proposed rezoning. The existing zoning works well as can be seen by the completed neighbouring developments. They blend well with the topography & the environment. A residential rezoning would create a ghetto type complex surrounded by industrial. The upheaval of habitat would impact detrimentally to flora & fauna. Please circulate a copy of this email to all councillors. Yours faithfully John Browne Dir J E & EJ Investments Pty/Ltd 50/6 Jubilee Ave Warriewood
